Legacy Commercial Property Advisors Wins the 2026 CoStar Impact Award for Lease of the Year

Legacy Commercial Property Advisors is proud to announce that our team has been honored with the 2026 CoStar Impact Award for Lease of the Year in Tulsa.

This recognition celebrates the work of Lisa Brandes, David Looney, and William P. Beichler on behalf of the City of Tulsa for the 41,300 SF office space lease to SIXT Rent a Car, LLC at One Technology Center in downtown Tulsa.

The CoStar Impact Awards recognize commercial real estate transactions and projects that have significantly transformed their local markets over the past year. Winners are selected by independent panels of industry professionals who work within the markets they judge.

We are honored to be recognized by our peers and the CoStar Group for our role in this transaction, and grateful for the opportunity to continue to serve as the exclusive commercial property broker for the City of Tulsa.

Congratulations again to Lisa, William, and David on this well-earned achievement and to everyone who helped make this transaction a success.

If you are looking for a dedicated, award-winning team to help with your next commercial real estate purchase, sale, lease, or investment, we are ready to put our expertise to work for you.

Contact our team of Oklahoma commercial real estate experts at (918) 438-9999 or visit our offices on S. Boulder Avenue in Tulsa.

"This lease brought a new global brand into Tulsa, driving jobs and general economic development... It also elevated the position of One Technology Center in the marketplace as premier office space, which I anticipate will have positive follow-on effects for future leasing activity in the building."
