Multifamily Sale: Brookwood on 86th

We are delighted to announce the successful sale of Brookwood on 86th Apartments, a remarkable 100-unit multifamily property in Owasso, Oklahoma.

Legacy Commercial Property Advisors' multifamily team represented both the buyer and seller in this transaction. Spearheaded by Ryan Gorman, and joined by Carey Velez and Bailey Miles, this deal was the quintessential example of a win-win.

Through their decades of combined experience, profound knowledge of multifamily properties, and meticulous research, the team skillfully negotiated a final sales price of \$96,000 per unit. This achievement showcases their unwavering commitment to delivering exceptional results for every client.

Further ensuring the property's long-term success is the skilled property management team led by Amy Bors at Winfield Property Management.

We take immense pride in connecting both buyer and seller, while maximizing overall value and profits for each party involved. We never underestimate the significance of these successful outcomes. Our accomplishments are a testament to our unwavering dedication to the core principles that define us—teamwork, tenacity, and trust.

By genuinely understanding our clients' goals and consistently applying these principles to every project, we achieve remarkable results.

Whether you are a buyer, seller, or investor seeking to strengthen your portfolio or embark on a multifamily investment journey, our team is eager to roll up our sleeves and work tirelessly on your behalf. Contact us today at +1 (918) 438-9999 or conveniently reach out through our online contact form.
