Legacy Commercial Property Advisors is proud to announce that several of our team members were recognized at the 2024 NAIOP Oklahoma Awards Ceremony, bringing home three “Deal of the Year” honors for their outstanding work across office and redevelopment categories.

The NAIOP Oklahoma Awards celebrate the most impactful commercial real estate deals and developments across the state each year. NAIOP (The Commercial Real Estate Development Association) is a national organization with chapters throughout the U.S. that supports and advances the interests of real estate developers, owners, and related professionals. The Oklahoma chapter’s awards spotlight achievements that shape our state’s built environment and economic growth.

At this year’s ceremony, Legacy was honored with:

At Legacy, these wins are much more than just awards; they’re reflections of the values that drive us. Each transaction represented a unique challenge, and our team approached them the way we always do: with teamwork that keeps us aligned, tenacity that pushes deals across the finish line, and the trust that our clients place in us to represent their best interests every step of the way.

From navigating large-scale office leases to breathing new life into underutilized properties, our brokers continue to raise the bar for commercial real estate in Oklahoma. And we couldn’t be more proud to see that recognized by our peers at NAIOP Oklahoma.

Congratulations to William, Lisa, David, Ben, and Sam on this well-earned recognition!
