Successful Lease of 26,895 SF Office Building in Tulsa

Legacy Commercial Property Advisors is pleased to announce the successful lease of a 26,895 SF office building on 9410 E 51st Street in Tulsa, Oklahoma.

Strategically positioned along one of the city's most active east-west corridors near the intersection of East 51st and Highway 169, the property offers plenty of space, high visibility, and ample on-site parking -- the perfect spot for nearly any brand looking to get in front of more eyeballs and get more traffic to their location.

We had the privilege of helping the parties on both sides of the transaction, with Jordan Helmerich representing the landlord and Addison Walton representing the tenant. Drawing from their unmatched Tulsa market knowledge and experience, they created the path toward a true win-win agreement.

We're always proud to achieve wins for our clients and partners, but we know these successes aren't just the end result of our skills alone. Every victory we celebrate is only made possible through the mutual trust we share with our clients, the tenacity to make sure the deal is done right, and the teamwork necessary to create the best outcomes possible for all involved.

Whether you are looking for results like this for your next purchase, sale, lease, or investment, our experts are here and ready to get to work. Contact Legacy Commercial Property Advisors at (918) 438-9999, visit us online, or stop by our offices on S. Boulder Avenue in Tulsa to get started.
