Land Acquisition for Primrose Schools at 2835 E. Skelly Dr. Tulsa, OK

A major victory for our client and an even bigger win for education in Tulsa!

As the leaders in early childhood education and care, our client, Primrose Schools, had very specific needs to ensure that their newest location was the perfect environment to foster an atmosphere of learning while also serving a convenient location for busy parents.

Leading the Legacy team on this acquisition, Ben Ganzkow and his team were successful in securing the right location for Primrose Schools, a 1.75 acre site at 2835 E. Skelly Drive.

This location provides a healthy and safe environment for children to learn and thrive, while the expansive 1.75-acre lot — with easy access from the highway and Harvard Avenue — makes pickups and dropoffs a breeze for parents on the go.

Working with Cushman Wakefield, the firm representing the seller of the property, Ben and the Legacy team put together a winning offer package and ensured the transaction went smoothly — every step of the way — for our friends at Primrose.

From the initial consultation to the final signing on the dotted line, Ben and the team at Legacy Commercial Property Advisors guide clients through every step of the process, focusing solely on the needs of our clients.

If you're ready to make your next commercial property acquisition, investment, or sale a success, call our team at (918) 438-9999 or contact us online. We can't wait to get started.
