## Cathedral District Office Lease for Housing Forward Oklahoma

Legacy Commercial Property Advisors is proud to announce a new office lease in the heart of Tulsa's Cathedral District. The 6,076 SF freestanding building, located at the northwest corner of Main Street and 16th Street, will soon serve as the Tulsa office for Housing Forward Oklahoma, a new initiative focused on expanding and preserving housing throughout the state.

Housing Forward Oklahoma operates under the Tulsa Community Foundation (TCF), which supports nonprofits, corporations, individuals, and families across Tulsa with flexible, charitable giving solutions. Today, the foundation manages more than 1,500 funds, each with its own identity and philanthropic purpose, and all strategically invested to sustain and strengthen communities across Oklahoma. Learn more about their mission and programs at [tulsacf.org](http://tulsacf.org) and [housingforwardok.org](http://housingforwardok.org).

Our very own Lisa Brandes, Jessica Reese, and William Beichler represented the landlord, BNW Realty, in negotiating this successful lease. With a clear focus on statewide housing solutions, this new location is a meaningful next step in advancing the mission of Housing Forward Oklahoma, and we're proud to have had a hand in making it happen.

At Legacy, we believe space is more than just square footage; it's a foundation for the people that shape our communities, so whether you're a nonprofit, business, or investor, we're here to help you find the right space to do your best work. Contact our team of commercial real estate experts at (918) 438-9999, online, or stop by our offices on S. Boulder Avenue in Tulsa.
